

KOBEL + CO

JUNIOR DESIGNER

+ FULL TIME
+ IN STUDIO

We are looking for an enthusiastic, artistic, detail-oriented candidate with superb interpersonal skills for the position of a junior interior designer. The interior designer's key responsibilities include visualizing and sketching design plans as per client goals, sourcing fresh products and materials, determining costs and inspecting construction to ensure alignment with design specifications. Will work in tandem with studio Partners and Procurement Manager. This position is for a business-minded, energetic, creative type, ready to grow in a fast paced environment, and requires on-site work in Kansas City, MO.

RESPONSIBILITIES INCLUDE BUT ARE NOT LIMITED TO:

- Assisting lead design team with all project related tasks.
- Thinking creatively and pushing the envelope with inventive and innovative ideas.
- Performing drafting assignments in Revit, AutoCAD and/or SketchUp.
- Developing, modifying and/or reviewing production drawings according to established code standards.
- Assisting designers in sourcing, selecting, and rendering materials and products.
- Assisting designers in client presentations, with ability to manage tough conversations and provide quick feedback and solutions.
- Ability to visit showrooms to collect samples or return merchandise; run studio errands and facilitate on-site installations.
- Ability to project manage and organize various complex details.
- Assisting Procurement Manager with maintenance of design resource library, identifying new contacts, and ensuring cutting-edge vendor relationships.
- Assisting Procurement Manager with maintenance of project binders, ensuring all details, selections, and measurements are accurate.
- Meeting with product vendors to learn about product sourcing and pricing.
- Keeping design studio organized, clean, and on-brand.
- Open to occasional travel for sourcing.

SKILLS:

- Bachelor's degree in Interior Design or related field.
- Project management experience.
- Highly creative, positive, imaginative, and artistic.
- Excellent communication skills, ability to take feedback, and work in person with clients.
- Proficiency in AutoCAD, Illustrator, InDesign, SketchUp, Revit or similar design software.
- Precision oriented, organized, and polished.
- Must provide portfolio of design work and references.

+ WELCOME
